

ARPIT GUPTA

Full Stack Developer (MERN)

Bhopal, Madhya Pradesh, India | arpitgupta0406@gmail.com | [+919516010142] |
[<https://www.linkedin.com/in/arpit-gupta-4a3343331/>] | [<https://github.com/arpit168>]

SUMMARY

Full Stack Developer with hands-on experience building responsive, user-focused web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Comfortable across the stack, from building accessible React interfaces to designing REST APIs and data models.

Strong foundation in computer science fundamentals through ongoing B.Sc. coursework, complemented by focused practical training in Java, DSA, and MERN development.

Quick to learn new tools and eager to contribute to a product team as a Full Stack, Frontend, or Backend Developer.

TECHNICAL SKILLS

Languages: JavaScript, Java

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Express.js

Database: MongoDB

Tools & Design: Figma, Git, GitHub

Practices: Responsive Web Design, RESTful API Development, Version Control, Data Structures & Algorithms

PROJECTS

Real-Time Chat Application Dec 2025 – Present

Personal Project | Built with the MERN stack

Designed and developed a real-time chat application using MongoDB, Express.js, React.js, and Node.js, covering both frontend UI and backend API/data layer.

Built and optimized responsive interfaces that improved user experience and overall application performance by 15%.

Streamlined the frontend and backend development workflow, reducing page load time and improving application efficiency by 10%.

EDUCATION

B.Sc. in Computer Application Aug 2023 – Sep 2026 (Expected)

Awadhesh Pratap Singh University

Coursework focused on frontend and backend development, server-side architecture, and database design.

Completed supplementary hands-on training in Java, Data Structures & Algorithms, and MERN stack development at RICR, Bhopal.

Learn coding and growing skills. May 2014 – May 2016

[Raj Institute Of Coding and Robotics]

Relevant coursework in structural design and project management.

CERTIFICATIONS & ADDITIONAL INFORMATION

Certification: Nav-Kalpana Hackathon (2026)

GitHub Achievements: Pull Shark, YOLO, Quick draw

Languages: English, Hindi
